

## **Busy Mom Service – Danbury 2012 Sale**

Do you want to clear the clutter and make some money, but just don't have the time to register, tag, hang and transport your things to the sale?

We have a solution!

For a limited number of consignors, we have a team ready to help you out. They will contact you and set up a time to get your things, verify your address so we can mail you a check and you can sit back and relax!

What are the benefits? No waiting around for your things to sell in dribs and drabs at a regular consignment store. Receive a larger percentage than you would make at a resale store that pays you "instantly" for your goods.

The fine print!

- Get 40% of your sale price of your sold items!
- Give our "helpers" the right to price your items. Remember, they get a percentage of what you sell, so they will want to price it just right! Not too high, but not too low! They want the same thing you do!
- Decide if you want your unsold items back. Don't want them back? Donate and you are done! If you want them back, you must agree to come to pick them up between 7 and 9 PM of the last day of the sale.
- Sign our consignor agreement and sit back and wait for your check! Checks will be mailed within 2 weeks of the end of the sale.
